## **FITTING INSTRUCTIONS**

- Remove the OEM pillion footrests on both sides of the bike.
- Place one of the M8x20mm long countersunk bolts (item 4) through the rear hole in the transport hook (item 1), then place the spacer (item 3) over the bolt so it sits between the transport hook and the frame.
- Place one of the shorter countersunk bolts (item 2) through the front hole in the transport hook.
- Offer the R&G tie-down hook into position and tighten into the thread on the subframe, as shown above.
- Repeat for the opposite side.
- Please note this product can be used on the right hand side in conjunction with R&G exhaust hanger (product code EH0068) fitted, using the two longer bolts supplied (items 4 and 5) as shown below.

- *Please ensure that when strapping the motorcycle down the ratchet straps do not come into contact with any part of the motorcycle, as the strap is likely to rub during transit and may cause damage.*

#### **CONSUMER NOTICE**

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.
