- FLSTF Fat Boy 1990-1999
- FLSTN Nostalgia 1993-1996
- FXST Softail 1984-1999
- FXSTB Night Train 1999
- FXSTC Softail Classic 1986-1999
- FXSTS Springer 1989-1999
- FXSTSB Bad Boy 1995-1997

Removal of stock seat:

One-piece stock seat:

1. Remove the two mounting bolts from each side of the seat. These are not needed to mount the Mustang one-piece seat.
2. Remove the rear 1/4"-20 fender screw with a Phillips screwdriver and set it aside. The stock rear fender screw will be used to attach your new Mustang seat.
3. Slide the seat up and back to disengage the front bracket and remove the seat.

Installation of Mustang seat:

1. Insert welded nose tab into frame mount under tank.
2. Align the rear bracket with fender nut, place the nylon washer between the bracket and fender, and secure the bracket to the fender with the stock screw.

Note: The angles of the steel pan may need to be adjusted slightly to fit your specific bike.

Enjoy the comfort and custom look of your new Mustang seat!

These steps are guidelines to help you install your new Mustang product. If you need further assistance, please call us at 800-243-1392 or 413-668-1100, Monday through Friday 9:00 - 5:30 Eastern or send an e-mail to questions@mustangseats.com or visit our website at www.mustangseats.com.

You are cordially invited to
— Tour the Mustang Factory —

See how our craftspeople take pride in transforming raw materials into the world's highest quality, most comfortable handcrafted seats. Please contact Mustang for more information regarding tours of our historic Three Rivers, Massachusetts, facility (only 75 miles west of Boston; 150 miles northeast of New York City). Our two hour tours are by reservation only; we can accommodate groups from 2 to 24. We promise you will ride away with an entirely new awareness of what you put between you and your bike.
